These small changes have been made to ensure that the children of Red Hill still remain smart and tidy whilst school uniform is affordable and practical and easy to source. Giving the option of purchasing uniform which is already embroidered or with an iron-on badge.

We also recognise that some children with sensory needs may need some adaptations to their uniform, such as a Velcro fastenings instead of buttons and these are also permitted.

The full uniform policy is available on the website, which is currently being updated with the reintroduction of School ties for all pupils in Year 3 to 6.

Thank you for your ongoing support and for ensuring that the children of Red Hill are smart in their school uniform.

Yours faithfully,

Mrs McManus
